

Dear Family of Light,

I wanted to say a little something about Divine Androgyny as Anrita Melchizedek is talking about it in her wonderful channeling. This is a concept I have been working with most of my life and now find that, through the guidance of my Teachers, I am at even yet another level of comprehension. Divine Androgyny isn't about denial or eradication of an aspect of your soul; rather, it is a balance of your highest soul-self and your present conscious self; a union with your twin flame, as it were – the blending of both parts of your soul. To let go of your identification with male or female on this third dimensional level is to understand that you are letting go of all earthly attachments, all parts of you that bind you to the third dimensionality of duality, polarity or karma influences. It is a matter of Divine balance. As we move into the fifth and even sixth dimensions, our consciousness needs to let go of these lower third dimensional forms, such as male and female, them and me, other and self. In letting go of male/female, we are actually blending our higher self which awaits beyond the veil, with our earthbound conscious self. Once we can clearly see that our yin and yang are but one entity, one reality in the abundance of all absolute realities, we can easily let go of the earthly view/perception of him/her, me/them. Do you see? It's a matter of opening up one's perception to inclusiveness and hence another aspect of Oneness. This is, indeed, our transfiguration into Androgynous perfection, our I-AM Avatar AdamCadman blueprint body of light.

In terms of the restructuring of our neural network, this is quite in line with the upgrade into higher consciousness ordained by heaven. We have to let go of the divisive programmed matrix of human consciousness that has led us so far astray from our true origins. You already know that we are currently able to access only a tiny fraction of our physical brain's capacity. Have you ever thought why that is? It is because of the programming we have undergone. Now that is being lifted, removed, so that we can once again enjoy full consciousness, our true heritage in God's kingdom. The "higher mental body" that Anrita talks about is part of our Spiritual Triad: higher mind, intuition and spiritual will. I have for a while now been concentrating on letting go of the lower mind and focusing on the aspects of the higher mind, which allows all of the Divine aspects to flow into consciousness.

This is part of what Anrita is also telling us. This is the direction that the Children of Light should now be going. It is our next evolutionary step. Anrita says:

The sacred process of Divine Masculine-Divine Feminine integration necessitates complete removal of the programmed human mind matrix in order for the new mental/higher mind structures to be integrated. At this time, we are only on the fringes to understanding the power of this absolute unification within the form.

So releasing all attachments, all programming, all belief systems, all lower aspects of consciousness that keep us attached to the third dimensionality in duality is our human focus just now. This loving embrace to Divine Androgyny is subtle and thorough. It is coming for all humankind, but it is coming first to those who are now most ready to embrace their I-AM Avatar body of Light; the next step in our Divine conscious evolution.

Know that you are always protected by our guides and Teachers from above, that you will never accede what you personally are able to manifest, and that your journey is but one of many of all upon the earthplane in physical form. Always allow the Masters to assist you. Do not focus on just one Teacher or Ascended Master, but call upon all that you know to assist. Each has different aspects of help and overlighting that they can and will give to you. No one is exempt or excluded from their help. All you need do is ask. “Ask and you shall receive, knock and the door shall be open unto you.” This is the teaching given to us by Master Yeshua and is as true now as it was 2000 years ago. We are reintegrating with our Androgyny wholeness, the path of love and light that we are ordained to receive. The gifts of this new consciousness, this cosmic Love Awareness will open a whole new avenue of thought, ability and service through love to all of us. Anrita says:

Through the incoming cosmic light frequencies, we are being assisted, energetically and structurally, to reunite with our wholeness as an androgynous being. It is from this reintegrated wholeness, that we are able to interpret information from the levels of Omnipresence Oneness and in a manner that will raise us collectively into infinitely powerful, incredibly loving beings of tremendous wisdom. Jesus the Christ prophesized this with reference to “The Untouchables” who shall walk the Earth.

This is the time of choice, but it is also the time of Grace and the gifts of Grace are manifold, if we but embrace them. Do not worry about tomorrow or finances or health or whether it matters to be male or female; you will manifest in the form you most desire, but still as an integrated whole being of oneness. Be safe; be loving, and be open to these new Cosmic energies. We are being given a tremendous boost into Divine Consciousness and we have lots of help to do it!

All my love, and the Father's Peace unto you,

AliceAnn
